GAIN A BETTER INSIGHT INTO THE CAPITAL PLACE TEAM

For determining, developing and implementing an organization's information technology goals are part of IT coordinator responsibility. Another member in Capital Place team that will be our spotlight this month is our IT Coordinator, Braja.

Here is our little chat with him:

Braja Santosa - IT Coordinator

How long have you been working with the Capital Place Management Team and what are your responsibilities?

I have been working for almost 4 years as IT Coordinator. My responsibility is to ensure the smooth functioning of an organization's computer systems in Capital Place, both for tenant and building management team.

What do you like most about your job?

I am happy to be of help and make things easier for them using my knowledge about IT.

What do you like to do in your spare time?

Doing as IT freelancer and go fishing is my hobby.

What was the last book you read and the last movie you went to see?

I don't really like to read a book. Last movie I watched was Warkop DKI.

If you had the choice to have lunch with anyone in the world, who would it be and why?

Scarlett Johansson, because she always looks stunning.

HAPPENING IN OCTOBER
