# GAIN A BETTER INSIGHT INTO THE CAPITAL PLACE TEAM

Here is our little chat with Wendy, Finance and Accounting Manager for the Capital Place Team:

## **What are your responsibilities and what do you like most about your job?**

My function jobs are :

1. Make sure that all Finance Accounting transactions are well recorded and well maintained.
2. Prepare all tenants' billings on schedule and also to monitor the payment.
3. Monitoring incoming and outgoing funds.
4. Make sure Finance & Accounting SOP are well executed and well followed.
5. Liaise with other consultants to provide related reports on time and accurate.

What I like most about my job is hmmm..... I think the job keeps me going to train my brain with all its challenge and its difficulties, so I keep updated and rationale.

## **What do you like to do in your spare time?**

Spend time with Family, spend time with friends, sports (RPM & Running), watching movies, travelling and of course culinary experience.

## **What makes you laugh the most?**

My family and Friends with their crazy jokes.

## **If you could live anywhere, where would it be?**

Bali, seems like everyday is holiday.

## **If you had the choice be a superhero, who would it be and why?**

I would like to be Iron Woman a.k.a Pepper Potts.

Because she is beautiful, kind-hearted person, the only person who can control Tony Stark, and now she is taking over The Stark Industries with all its heritage hahaha....
