

OCTOBER 2022 | VOL. 47

CAPITAL PLACE NEWSLETTER

The Official Newsletter of Capital Place Jakarta

BREAST CANCER AWARENESS MONTH

In a global effort to raise awareness about breast cancer, October has been designated as the Pink Month. The Pink Month is a month where efforts are made to educate those concerned about the disease, including early identification and signs and symptoms associated with breast cancer.

We invite you to join us to commemorate this year's Pink Month by attending a seminar at Komunal on **13 October 2022**.

The event will include speakers, two doctors from Mayapada Hospital and Parenting Influencer, **Adya Kirana**, who will share information regarding breast cancer. There will also be live music, food and beverages, as well as a chance to win vouchers for mammography tests.

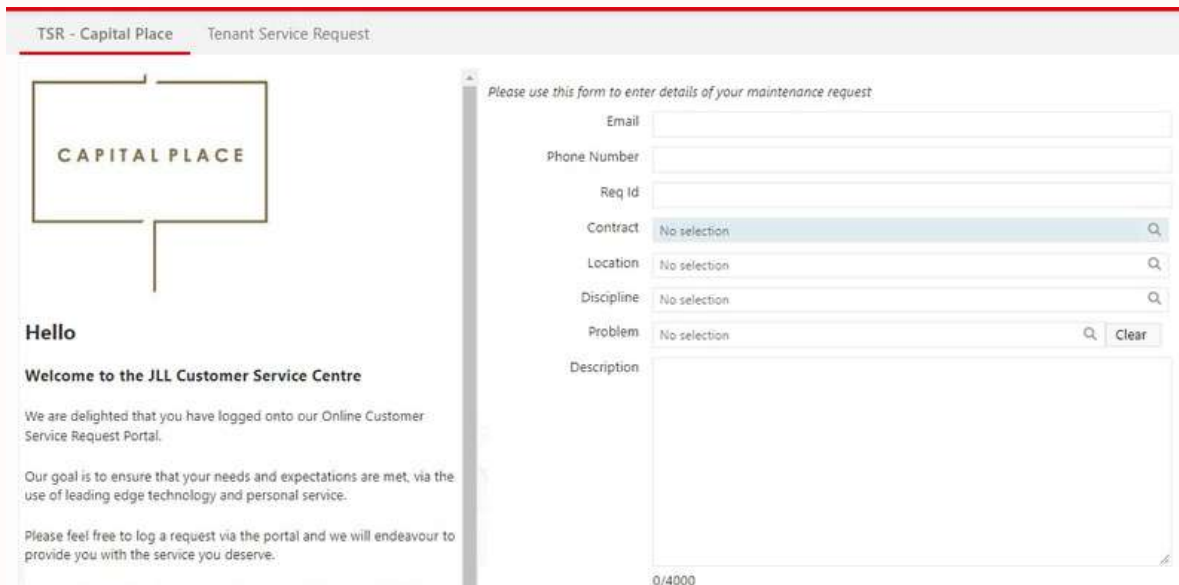

We look forward to seeing you at this event, and don't forget to wear Pink!

EVOLUTION FOR YOUR SOLUTION

Update from Kartika Puspitasari - Commercial Property Manager

Early in September 2022, Capital Place launched **EVOLUTION**, a new reactive maintenance web-based portal platform where tenants can log their maintenance requests. Tenants are able to review the 'real time' status of their maintenance requests via the **EVOLUTION** portal so that they can track progress through to their completion.

Tenants can input maintenance requests (with comments and photos) for Building Services such as,

- General Maintenance;
- Air Conditioning;
- Electrical/ Lighting;
- etc.

The data collected in **EVOLUTION** will allow the Building Management Team to monitor the time taken to close out tenant maintenance requests and, importantly, identify any recurring issues which need to be addressed.

EVOLUTION will ensure we capture and complete all maintenance tasks in the one platform.

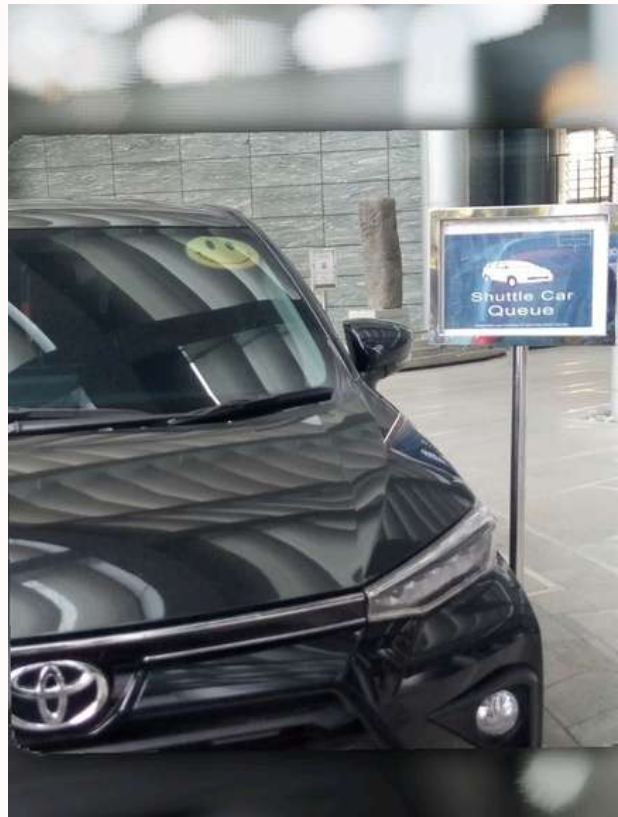

NEW ADDITION TO SHUTTLE CAR SERVICES

Information from Kartika Puspitasari - Commercial Property Manager

We are happy to inform you that effective on Monday, 3 October 2022, we will have one additional Shuttle Cars to the service.

Capital Place Shuttle Cars will rotate every 10-15 minutes between Capital Place and SCBD area. Please contact Building Concierge for the timetable details.

MICROWAVE SAFETY

Information from Nino R. Aditya - Chief HSE

Check below tips for safety usage of microwave at your office;

- Read the safety manual manufacture.
- Ensure the power cable is plugged properly
- When you operate a microwave oven, the door should close and seal fully.
- Double check your time and temperature settings.
- Do not look closely into it while its operating.
- Never put (Styrofoam, Foil, Metals) to microwave.
- Do not leave your food inside unattended, it may cause into a smoke and fire.
