ADVANTAGE OF CASHLESS TRANSACTION

Cashless means using digital forms of payment instead of cash, for payment of various expenses or transactions done by the individual. This payment system makes transactions faster and easier. The first and foremost advantage of cashless economy is that an individual does not need to carry cash everywhere which in turn reduces the chances of theft from wallet, reduces inconvenience due to carrying cash, gives freedom from problem of change when transaction is of odd amount, reduces waiting times in queue lines and so on.

IMPROVED ABDOMINAL ENDURANCE, FLEXIBILITY, AND RESTORE YOUR BALANCE.

Pilates offers plenty of benefits to your body, no matter your fitness background. You will improve your posture, focus on body alignment, and get one heck of a core workout. Join our class in Komunal-L2 on 14 Aug 2019 at 6PM.

Attendance is free.

GAIN A BETTER INSIGHT INTO THE CAPITAL PLACE TEAM

Office buildings need to have the ability to accommodate myriad types of businesses and activities to meet the needs of tenants. To handle such a complex tasks on a daily basis from mechanical, electrical or plumbing, we need Engineering Team. Our spotlight this month will be with our Chief Engineering. Here is our little chat with him:

Buang Sakti - Chief Engineer

How long have you been working with the Capital Place Management Team and what are your responsibilities?

I have been working at CP building since January 2016, before the building opened. My responsibility is for the entire engineering department, from approving project designs and assigning engineers and technicians, to ensuring that all safety and structural standards are met throughout the completion of each project.

What do you like most about your job?

My formal education is engineering, I really love working as an Engineer which I have been doing since 1998. If I am able to help or fix a problem especially broken equipment, it makes me feel satisfied. I hope there are a lot of young people who love their work like I do and enjoy serving and supporting their customers.

What do you like to do in your spare time?

This is a short life, don't waste your time with useless things. I really love my family and my job as an Engineer.

What was the last book you read and the last movie you went to see?

The last book I have read is Peninggalan "Soeharto". Recently, i have watched Aladdin with my twins.

If you had the choice to have lunch with anyone in the world, who would it be and why?

Soeharto. He is a realistic man and a great leader in Indonesia.

WHAT'S ON AT THE MOVIES?

FAST & FURIOUS: HOBBS & SHAW

Ever since hulking lawmen, Hobbs and Shaw, first faced off, the duo have swapped smack talk and body blows as they have tried to take each other down. But when cyber-genetically enhanced anarchist, Brixton, gains control of an insidious bio-threat that could alter humanity forever - and beats a brilliant and fearless rogue MI6 agent, who just happens to be Shaw's sister - these two enemies must partner up to bring down the only guy who might be badder than themselves.

DORA AND THE LOST CITY OF GOLD

Having spent most of her life exploring the jungle, nothing could prepare Dora for her most dangerous adventure. Accompanied by a ragtag group of teens and Boots the monkey, Dora embarks on a quest to save her parents while trying to solve the seemingly impossible mystery behind a lost Incan civilization.

THE ANGRY BIRDS MOVIE 2

Red, Chuck, Bomb and the rest of their feathered friends are surprised when a green pig suggests that they put aside their differences and unite to fight a common threat. Aggressive birds from an island covered in ice are planning to use an elaborate weapon to destroy the fowl and swine way of life. After picking their best and brightest, the birds and pigs come up with a scheme to infiltrate the island, deactivate the device and return to their respective paradises intact.
