As of 20 January 2020, I will no longer be working as Concierge Supervisor in Capital Place, as I will be moving back to Four Seasons Hotel.

I wish to let you all know that while I am excited about the opportunities that await me in the future and it is with sadness that I should bid farewell. I have enjoyed my time here and appreciate the support and help you have provided to me. I have had a wonderful experience working at Capital Place and have learnt many new things which I am sure will help me in my next position. The time that I have spent at Capital Place is one of the best times of my life which I am sure I will cherish forever.

I want to assure you that all information regarding our office concierge services is being transferred to the replacement Concierge, Ms. Deasy Fitria. Deasy is an experienced concierge, having previously worked at Grand Hyatt and Four Seasons Hotel.
