

JULY NEWSLETTER

WELCOME BACK TO CAPITAL PLACE

Over the last three months, a large number of the Capital Place occupants have been working from home. As Jakarta's Administration begins to lift PSBB restrictions and implement "New Normal" protocols, tenant's staff are now starting to return to the office. To ensure the health and safety at the Capital Place occupants, Building Management has introduced new protocols to the building. These measures include thermal checking of all tenants, visitors and vendors, PPE equipment for all customer facing vendors, additional hand sanitizers, limitation to the number of persons travelling in elevator and physical distancing in public areas.

Capital Place Building management also encourages all tenants to implement measures to help reduce the spread of COVID-19. For example, please ensure your staff complete a Self Assessment Health Check, undertake daily temperature testing of staff and visitors, maintain physical distancing between work stations and in meeting rooms, consider split shifts of working teams, install additional hand sanitizers, etc.

HAPPY BIRTHDAY JAKARTA

Jakarta celebrated its 493rd anniversary on June 22, understandably with less fanfare than in years past. Previously, the Jakarta City Anniversary celebration was filled with outdoor activities and large crowds. During the pandemic it was typically celebrated with virtual activities. The theme of this year's celebration is "Tangguh Jakarta", showing Jakarta as a tough city in facing the COVID-19 pandemic.

ACT OF KINDNESS

As a part of Capital Place CSR Program, on 6th May 2020 Capital Place donated disinfectant equipment to Kelurahan Kuningan Barat, to support our local community in preventing COVID-19.

CAPITAL PLACE PHOTO CONTEST

Enhance your creativity and photography skills by sharing an interesting picture about working in the "New Normal" environment at Capital Place.

Some examples could be; social distancing condition at your office, your "New Normal" outfit of the day, or even a selfie while washing your hands.

Here is what you need to do:

1. Snap some photos
2. Follow and tag @capitalplacejakarta on Instagram
3. Email your photos to concierge at concierge@capitalplace.co.id with the subject above

Submissions start on July 7th and close July 21st 2020.

The winner will be announced via Capital Place Instagram story and receive an IDR 1,5 million gift voucher from Four Seasons Hotel Jakarta.

For further information, please contact our Concierge.
