A QUIET PLACE PART II

Following the events at home, the Abbott family now faces the terrors of the outside world. Forced to venture into the unknown, they realized the creatures that hunt by sound are not the only threat lurking beyond the sand path.

LUCA

Set in a beautiful seaside town on the Italian Riviera, the original animated feature is a coming-of-age story about one young boy experiencing an unforgettable summer filled with gelato, pasta and endless scooter rides. Luca shares these adventures with his newfound best friend, but all the fun is threatened by a deeply-held secret: he is a sea monster from another world just below the water's surface.

F9 (FAST AND FURIOUS 9)

After the events of The Fate of the Furious, Dominic Toretto and his family must face Dom's younger brother Jakob, a deadly assassin, who is working with their old enemy Cipher, and who holds a personal vendetta against Dominic.

THE CONJURING III: THE DEVIL MADE ME DO IT

A chilling story of terror, murder and unknown evil that shocked even experienced real-life paranormal investigators Ed and Lorraine Warren. One of the most sensational cases from their files, it starts with a fight for the soul of a young boy, then takes them beyond anything they'd ever seen before, to mark the first time in U.S. history that a murder suspect would claim demonic possession as a defense.
